ESL TEACHER PROGRAM

ESL (English As a Second Language) Teachers, often referred to as TESOL or TEFL, are very much in demand at local academic institutions, community organizations, churches, immigration help centers and other organizations which help the new immigrants. ESL teachers are also being hired by Literacy Councils and organizations dedicated to improving literacy among American adults and youth who are unable to read & write English.

The 12- week Certificate Program and the 1-year Diploma program has been designed to help students with different levels of language or teacher training. Advance placement and exemptions are available to qualified candidates.

All programs, including Continuing Education programs are available on-line. Credits earned can be transferred for training in many other professions e.g. Business, Health Care, Arts, Humanities & Social Sciences or Language & Cultures. New classes start in January, April, July and October. Accelerated programs, credits for previous studies, scholarships, student loans and easy monthly payment facilities are available. Additional, non-credit courses, can be had for \$5.00 per hour, based on availability. Please refer to DII school catalog or contact the Registrar for more information
